**SURREBUTTAL TESTIMONY AND
EXHIBITS OF RICHARD ANDERSON**

- 1 Q. What is the purpose of your surrebuttal testimony?
- 2 A. **My surrebuttal testimony describes the administrative fee charged by Mill Creek to**
3 **its campers and the amount charged its campers based on the Tri-County electric**
4 **bills.**
- 5 Q. What is the amount you charge?
- 6 A. **Mill Creek charges \$5 per month per campsite.**
- 7 Q. How did you establish this amount?
- 8 A. **When I received permission from the Public Service Commission to set individual**
9 **meters at each campsite, the Commission also indicated charging \$5 a month per**
10 **site was acceptable.**
- 11 Q. When did Mill Creek begin charging the fee?
- 12 A. **Mill Creek began charging the fee in 1992. Since then, no one at the Commission,**
13 **the ORS, or any camper has ever complained about the fee.**
- 14 Q. How does Mill Creek charge its campers?

15 **A. Mill Creek receives a monthly bill from Tri-County for each of its meters. As**
16 **explained in my direct testimony, Mill Creek determines the total kilowatt usage**
17 **based on Tri-County's bills. This usage amount is divided into the monthly dollar**
18 **amount to determine the rate Mill Creek charges its campers. Thus, Mill Creek**
19 **charges its campers what Tri County charges it and does not charge more.**

20 **Q. Does this conclude your surrebuttal testimony?**

21 **A. Yes.**
